

On Friday 2nd September 2016, whilst the Scotland A team were preparing for their first World Cup qualifier in Malta, Scotland's U21 team were playing Macedonia

at Tynecastle Stadium in Edinburgh. Although the result was disappointing, the atmosphere was good. TACC invited some disadvantaged young people along to the

game as part of the "My First Scotland Match" programme. The kids from East Fife FC had a great night and went home with their own new Scotland top to keep!
