

TACC recently donated £7500 for Year 3 of TACC FC project at Kilmarnock Football Club.

The project allows disadvantaged kids to get some out of hours football coaching combined with a healthy meal and education on well-being and nutrition.

Many thanks to Paul Di Giacomo and the other folks at Kilmarnock FC for all their efforts, we hope Year 3 is as successful as Years 1 & 2.

TACC also supported the Frame Football Scotland Summer Camp to the tune of £3400,

and the Pennypit Community Development Trust Summer Lunch Clubs with £1200.

These donations are only possible via the generosity and hard graft of our supporters, t

hank you from TACC for helping make these donations happen.
