

On Friday 14th June 2019, 44 players realised the dream of playing on the hallowed Hampden Park turf while raising money for TACC and Children 1st.

A great night was had by all and several thousand pounds were raised, while the players had the experience of a lifetime.

TACC wants to express a huge thanks to the SFA, Children 1st, Craig Brown, Archie Knox, the match officials and all the volunteers who came along.
