

On Thursday 24th March 2022 TACC were delighted to welcome 14 kids from Royston Youth Action Group to Hampden for the Scotland v Poland friendly match in support of Ukraine.

We hope they all had a great night. Many thanks to you all for your support which allows us to continue our My First Scotland Match program and help create amazing memories for so many deserving kids.

This was part of our My First Scotland Match program, where each child receives a match ticket, a Scotland shirt, a Saltire flag and £10 pocket money.
